

Pe Pe Pepein Lyrics

English

Let the beat drop
Kiss kiss, just break dance
Hey girl put your hands
Up like this, like you so exited
Dance mile to dance bhi karle,
There is no need to hide it
Music bhi provided,
Shake your ass and ride it
I know that you like it,
You really really like it
Bundh bari ki yaar glassi,
Bundh bari jo chadhi jara si
Lyricsbogie.com
Pee hai pee chal chod udaasi
Bundh bari kar balle shalle,
Bundh bari kya rehna thalle
Tor hila de pairna thalle
Ae dil tu bhi maar chhalaanga,
Iss doli ka dhol kahe
Dil se dil ka taar mile
Toh khushiyon ka maahaul kahe
Pe..pe..pepein...
I know that you wanna dance
But wanna take your chance
I know that you wanna dance
I know that you wanna dance
But wanna take your chance
I know that you wanna dance
Lagane do thumake whumake,
Girane do jhumake rumake
Chhodo sharmaana naach lo na
Ho sab kuchh hai ok shoke,
Koi na roke toke
Aaj full hungaama tum karo na
Aisi yedi maar jameen

Par takraaye to aag lage
Aisi yed imaar jameen par
Aisi yedi maar jameen
Par takraaye to aag lage
Iss mein dil ka shor sharaaba
Humako mitha raag lage
Pe..pe..pepein...

We dont care about the noise,
Put your hands up girls and boys
Ga le dance you have
No choice coz we coz we..
Breaking down the doors
I know you want to play some more
Get yourself to that that door,
Let the beat drop
Hai lamahe halake phulake,
Mar jaaye inape rulke
Kar le some jalawa shalawa aaja
O aankhon se thagana thagana,
Sine se lagana lagana
Love me o soni pare na ja
Sau rab di rab tujhako bola,
Tujhako apana yaar kahe woh
Sau rab di rab tujhako bola
Sau rab di rab tujhako bola,
Tujhako apana yaar kahe
Haatho se yeh haath na chhute,
Dhadkan ke sur taal kahe
Pe..pe..pepein...

Let the beat drop
Bundh bari ki yaar glassi,
Bundh bari jo chadhi jara si
Pee hai pee chal chod udaasi
Bundh bari kar balle shalle,
Bundh bari kya rehna thalle
Tor hila de pairna thalle
Ae dil tu bhi maar chhalaanga,
Iss doli ka dhol kahe
Dil se dil ka taar mile

Toh khushiyon ka maahaul kahe
Pe..pe..pepein...
