Pehali khumaari hai  
Badi buri haalat hai  
Badi bekaraari hai  
Pehla pehla tejurba hai  
Pehla pehla ishara hai  
Pehali muhabbat hai  
Pehali khumaari hai  
Badi buri haalat hai  
Badi bekaraari hai

Kwabome chamase tu aaye kasamase  
Akhonse ninde uda le jaye  
Kaise batavu main bhole sanam se  
Kaisa junu dhadakano pe chaye  
Haay teri meri meri teri teri meri  
Ek hai muhabbat  
Meri teri teri meri  
Ek hai chahat  
Pehla pehla tejurba hai  
Pehla pehla ishara hai  
Pehali muhabbat hai  
Pehali khumaari hai  
Badi buri haalat hai  
Badi bekaraari hai

Haay chudibhi khan se khanakne lagi hai  
Ab to dupatta sambhala nahi hai  
Ab aarajoo bhi machalane lagi hai  
Main kya karu jor chalata nahi
