## English

Pitllan de suit ni tu paun lag payi,  
Snapchat utte bada aaun lag payi,  
Ajjkal video banaun lag payi,  
Vich mere gaane ni tu gaun lag payi,

All of the things that i think,  
When i look at you baby,  
All of the feelings that i can't show,  
Without going crazy,

Saheliyan de naal khichdi aen picturan,  
Mundeyan nu aewein kardi aen ticharan,  
Mitran kawareyan nu paave fikran,  
Payi selfie ne paaye ne pawaade,

Yaar mera phone methon mangdae,  
Photo teri vekhan de maare,  
Yaar mera phone methon mangdae,  
Photo teri vekhan de maare,

Veileyen de vich haye ni khadak payi,  
Ni tere utte haye ni marde ne saare,  
Yaar mera phone methon mangdae,  
Photo teri vekhan de..,

Chaar panj munde tainu chase karde,  
Baki tere utte time waste karde,  
Line utte tera haye ni raula pe gaya,  
Taniyo tera yaar singh tim kar reya,

All of the things that i think,  
When i look at you baby,  
All of the feelings that i can't show,  
Without going crazy,

Saheliyan de naal khichdi aen picturan,

Mundeyan nu awein kardi aen ticharan,
