Haay ho pora pori mil gaye

Haay ho pora pori mil gaye

Meri sudha meri sudha  
Meri sudha sudha  
Mausame bahar hain  
Phoolo pe nikhaar hain  
Dil bekaraar hain  
Tera intezaar hain  
Aajaa mere paas aajaa  
Mujhko tujhse pyaar hain  
Aajaa mere paas aajaa  
Mujhko tujhse pyaar hain  
Maine chaha  
Tune chaha taarpo re  
Ho pora pori mil gaye  
Ho chhora chhori mil gaye  
Haay ho pora pori mil gaye

Dekhathi hoon mein jidhar  
Tu hi tu hain bas udhar  
Tere pyaar ka asar  
Kam na hoga umra bhar  
Saari zindagi rahenge  
Saath saath humsafar  
Saari zindagi rahenge  
Saath saath humsafar  
Maine jaana tune jaan taarpo re  
Ho pora pori mil gaye  
Ho chhora chhori mil gaye  
Haay ho pora pori mil gaye

Meri sudha meri sudha  
Meri sudha sudha sudha..  
Din ho ki raat ho  
Tera mera saath oh  
Pyaar bhari baat ho  
Hatho mein hath ho  
Milake na ho juda  
Hum aisi mulakaat ho  
Milake na ho juda  
Hum aisi mulakaat ho  
Maine soch tune  
Socha taarpo re  
Ho pora pori mil gaye  
Ho chhora chhori mil gaye  
Haay ho pora pori mil gaye

Phool phool kali kali  
Jaan gayi gali gali  
Aankha ladi baat  
Badhi taarpo re  
Ho pora pori mil gaye  
Ho chhora chhori mil gaye  
Haay ho pora pori mil gaye.
