

Pinnak Na Tod Lyrics

English

Abey pinnak na tod
Uzi beat de de yaar!

Abey pinnak na tod
Mattha ye bhinka to ghar tak ki daud
Ye circus hai kartab ki hod
Hustle kar badte hum barkat ki or

Pinnak na todd pinnak na todd
Pinnak na todd
Maine bola pinnak na todd chodd

Maine bhi dekhi street life kayi baar freestyle
Battle bani street fight fu*k tere gang signs
Meri vibes jaise mad science of da vinci
Par mere paas mere fans nahi mere bhai

Meri franchise mere se inspired sare
Hai tabaahi mere se bhi ten times
Par fikar nahin i'm the diamond
That you can never outshine
Till i'm in the limelight
Thusi got a blind sight
And i know the time flies
And i know might find hard times

In the far sight so i'm alright

Angrezi chahiye thi lele
Punches bhi chahiye thhi de de ke pele
Metaphor chahiye to zindagi lehndi hai
Gatar mein reh le
Kis chakkar me reh rahi ae

Akkad ke sare ye pakkad mein mere ye
Hagte ye ruk ke na de rahe

Dhuye ke chaske ye hukke se le rahe
Charas ke dhas ko mein f*ck hi na de rahe

Hum f*ck hi na de rahe
F*ck hi na de rahe chhod

Abey pinnak na tod
Mattha ye bhinka to ghar tak ki daud
Ye circus hai kartaab ki hodd
Hustle kar badte hum barkaat ki or

Pinnak na todd pinnak na todd
Pinnak na todd
Maine bola pinnak na todd chodd

Ye hai sick shit karu sickshit
Meri hitlist mein hai teri wishlist wale rapper
In stars ke liye me eclipse likhne ki
Sickness likhu bas disaster

Bas baaton se maan jata bhoot bhi lat ka
Music mein nasha i spit the vodka
Ghaat ghaat ka pani piya na hankta
Main janta hun kisme he dar mere naam ka

Organic fooke, organic views hai
Raga ki guarantee bhairant hai music
Kehte na mera hai todd yahan pe
I know apparently you know the truth is

Sabko hai sab dikhta koi anjaan ni
Mujhpe hai jitna bhi karta gumaan ni
Akdoge mujhse toh akde miloge
Main jhagde jab karta hun karta samman ni
Chodd

Abey pinnak na tod
Matha ye bhinka to ghar tak ki daud
Ye circus hai kartab ki hodd
Hustle kar badte hum barkat ki or

Pinnak na todd pinnak na todd
Pinnak na todd
Maine bola pinnak na todd chodd.
