Sambhal sambhal kar chal
Sambhal sambhal sambhal sambhal
Sambhal sambhal sambhal sambhal
Piya milan ko jaane wali
Sambhal sambhal kar chal

Ghungat khol kali samajhaati
Preet nagariya door
Tera saawariya bula raha hai
Kaha kaha phir door
Door nahin door nahin ab tere piya ka
Sundar rang mahal
Sambhal sambhal sambhal sambhal
Sambhal sambhal sambhal sambhal
Piya milan ko jaane wali
Sambhal sambhal kar chal

Aandhi aayi
Aandhi aayi kya ghabhrana
Tujhko des piya ke jaana
Na dar na dar in kaanto pe badhati chal
Dekh ke baadal nahin machal
Nahin hota yun man bekal
Haath mein mehendi lagi
Lagaaya nainon mein kaajal
Sambhal sambhal sambhal sambhal
Sambhal sambhal sambhal sambhal
Piya milan ko jaane wali
Sambhal sambhal kar chal

Uthi ghata ghanghor

Tera naach utha man mor
Tera naach utha man mor
Pritam aaye aaj milan ka
Aaya hai tyohaar
Saja aarati kiratan ga
Aur pahana de tu haar
Saja aarati kiratan ga
Aur pahana de tu haar
Aayi thi khil gaya saloni
Tera hiraday kamal
Ab sang piya ke chal.
