

Praat Lyrics

English

La la lala lala la
La la lala lara la

Haath cho praat chhut gi
Haath cho praat chhut gi

Ni main maareya gali vich geda
Jande di main pith dekhli
Mukh vekh saaki naa tu kehda
Haath cho praat chhut gi

Koleyan di agg utton andran da sek ae
Ikwaari harha mainu mudke ta vekh ve

Kehda tu baloch chandra
Jehda pa gaya thalaan vich fera
Haath cho praat chhut gayi

Tiki raat vich langh jaanda laa ke hikk ve
Sadran di hikk vich gadd jaanda mekh ve

Pohh da mahina mehrma

Pinda bhijeya pasine naal mera
Haath cho praat chhut gayi

Maareya khangura devein
Matthi jehi pichhan ve
Ohi tan ni kite ve tu
Khant wala maan ve

Taap jaa main shalaan maarke
Baapu ve chbuara tera
Jande di main pith vekh layi
Mukh vekh saaki naa tu kehda

Hath cho praat chhut gayi
Ni main maareya gali vich geda.
