English

Inna deh gaane deh lame jive haandi ch ghat masala

Leh av ek time matoiha speedy gozal ariba
Geneva teh rehndi habiba im private inte no visa
24/7 we balling hard murder murder we call it
Call it whatever you want it leva mein duva mein sare
Galan kar dene sare nava koi challenge vichare
Lag dene meinu vichare

Meri de president rolley
Saada veh lavel mount everest
Im killing you first class in emirates
Ana teh weak challenges

Kedi te taklif tu sanu das

Tere toh sneakers teh regular sade de diamonds toh brilliant
Meinu veh lage de ne furious tenu mein lave na serious
They envy whenever they see me but i roll in a lamborghini

Lakhan di shopping maverish shok zile im in paris
I make sure i make him embarrassed

Im killing you first class in emirates
Ana teh weak challenges
Pave na nike nah adidas
Kedi te taklif tu sanu das
Ana deh kariye bandobast

Lavish baniye te magarmach
