Allow me re-introduce my breed!  
Ten years runnin' game plan plots strategies  
Still the same hindustani with the same my bro  
Ridin' with the same punjabi in a damp exchange  
They say the revolution will never be on tv  
Inquilab zindabaad cd after cd

10 saal baad still rollin' with my bhai  
Call it all muqabla so it be called meri pride  
Well in the dunali catchin' first class flight  
20 t's for a show that was last year's price  
New rappers may emerge on the scene everyday  
But they will never be another bohemia & j

Still! Runnin' the frame of the plastic clocks  
Still! Runnin' the train on his basted cast  
Still! La to oakland all day long  
It seems like everywhere i go they still bumpin' my song
