Bujhaane soyi huyi
Takdir jagaane aaja aaja
Tere liye main hun
Mere liye tu hai yeh
Waada nibha ja
Aaja aaja aaja

Sadiyon se na nind bhi
Aayi na koyi khaab bhi aaya
Pal pal tadpaata hai
Teri yaadon ka badhata saaya
Sun mere saajan janmo
Ki uljhana aake jara sulajha ja
Yeh waada nibha ja aaja aaja aaja
Pyaaase dil ki pyaas bujhaane
Soyi huyi takdir jagaane aaja aaja

Maine teri puja ki
Hai tujhako hi maana hai
Tere bin mere jivansaathi
Yeh jag viraana hai
Dil ki nagari kab se hai
Ujadi aake ise tu basa ja
Yeh waada nibha
Ja aaja aaja aaja
Pyaaase dil ki pyaas
Bujhaane soyi huyi
Takdir jagaane aaja aaja
Tere liye main hun
Mere liye tu hai yeh
Waada nibha ja aaja.
