Hansi aati hai humko aaj kal ke
Naujwane par dawa darde e jigar ki
Jo dhundeta hai jo dukaano par

Thadap ke pyar mein seene se
Bas iljham milta hai, bas iljham milta hai
Watan ki raah me marne se hi ha
Aaram milta hai, aaram milta hai
Watan ki raah me marne se hi
Ha aaram milta hai

Mausam saal mahina juth
Marna sach hai jina juth
Mausam saal mahina juth
Marna sach hai jina juth
Ishq watan ka sachi baat
Ishq watan ka sachi baat
Tera husn hasina juth
Mausam saal mahina juth

Marna sach hai jina juth
Mausam saal mahina juth
Marna sach hai jina juth

Samme watan par ban ke
Parwane jal jayenge, aaj chalo milkar
Hum sab qawwali gayenge
Aaj chalo milkar hum sab qawwali gayenge

Yaha paida hum ya waha
Kya farq padata hai
Koi ho rang koi ho jubaa
Kya farq padata hai
Jubaa hai isliye jo matlab hai
Kya samjhe, matlab hai kya samjhe
Na samjhe na samajh
Use khuda samjhe, use khuda samjhe
Na samjhe na samajh use khuda samjhe
Kyun hai bahajubano par
Apno aur begano par
Kyun hai bahajubano par
Apno aur begano par
Ab tak laharate the hum
Ab tak laharate the hum
Jhanda sirf makano par
Kyun hai bahajubano par
Apno aur begano par
Aaj jhanda dilo me laharayenge

Aaj chalo milkar hum sab qawwali gayenge
Aaj chalo milkar hum sab qawwali gayenge
Punjabi gayenge marathi gayenge
Gujrati gayenge bangali gayenge
Aaj chalo milkar hum sab qawwali gayenge
Aaj chalo milkar hum sab qawwali gayenge.
