## English

Raat chhoti baat badi  
Hey raat chhoti baat badi  
Kyun hai mujhse door khadi  
Raat chhoti baat badi  
Kyun hai mujhse door khadi  
Nain mila de aur samjaade  
Nain mila de aur samjaade  
Intihaa ki hai ye ghadi

Raat chhoti baat badi  
Kyun hai mujhse door khadi  
Raat chhoti baat badi  
Kyun hai mujhse door khadi  
O nain mila de aur samjaade  
Nain mila de aursamjaade  
Intihaa ki hai ye ghadi

Phool de jaana naram aur  
Aag de jaa jaa garam

Phool de jaana naram aur  
Aag de jaa jaa garam  
Dil agar tujhe pe aa jaaye  
Tod de saare bharam  
Aaj sangam hojaayenge  
Aaj sangam hojaayenge  
Dhadkano mein jang chhidi

Raat chhoti baat badi  
Kyun hai mujhse door khadi  
Haan raat chhoti baat badi  
Kyun hai mujhse door khadi  
Ho nain mila de aur samjaade  
Nain mila de aur samjaade  
Intihaa ki hai ye ghadi

Uss jagah dil aa pahucha hain  
Apani manjil hain jaha  
Uss jagah dil aa pahucha hain  
Apani manjil hain jaha  
Aaj aage badh jaayega  
Zindagi ka karawa  
Bekhudi ke ik alam mein  
Bekhudi ke ik alam mein  
Dhaal par ki lagi chhadi

Raat chhoti baat badi  
Kyun hai mujhse door khadi  
Haan raat chhoti baat badi  
Kyun hai mujhse door khadi  
Ho nain mila de aur samjaade  
Nain mila de aur samjaade  
Intihaa ki hai ye ghadi

Raat chhoti baat badi  
Kyun hai mujhse door khadi  
Haan raat chhoti baat badi  
Kyun hai mujhse door khadi.
