

Race Is On My Mind Lyrics

English

Oh yeah...

Race is on my mind
Race is is my soul
Race is in my life
My heart is racing on...
Race is on my mind
Race is is my soul
Race is in my life
My heart is racing on...

Nasha tera...nasha...
Nashila nashila hai

Allah duhai hai
Betabi chaayi hai
Muskil judai hai
Haan tere pyaar mein

Allah duhai hai
Betabi chaayi hai
Muskil judai hai
Haan tere pyaar mein

When i m touching your body
All my touches are driving me crazy
Leave it just on baby no need to worry

Hasraton ki jalan
I'm burning like the sun
Haal jo bhi raha
I ll fall for never one

Teri zulfon tale
Take for it honestly
Mang le tu agar

I'll give you my heart

I m hot...so hot...

I could fly..

Thats just how you make me feel...

Allah duhai hai

Betabi chaayi hai

Muskil judai hai

Haan tere pyaar mein

Allah duhai hai

Betabi chaayi hai

Muskil judai hai

Haan tere pyaar mein

Faslon se mile

We don't wanna live this way

Zindagani meri

I ll live for you everything

Teri hi khwaab hai

Teri hi pyaas hai

I'm never feeling down

As long as you're around

It's hard to control...

I m loosing my soul...

How to or hard to control...

I love you forever

Allah duhai hai

Betabi chaayi hai

Muskil judai hai

Haan tere pyaar mein

Race is on my mind

Race is is my soul
