

Raja Lyrics

English]

Hellac, boy
Malum hai na!
Sunn, haan haan

Baatein bata ke wattake bata doon
Laga ke fatake main munh pe dekh
Chupke se aake macha ke suna ke
Ilake mein mere tu aake to dekh

Dekh yeh laali si aankhein
Hum joint bajake aur beat lagake
Hum verse machate
Hum verse pe jaate toh bhand ho jaate
Hum gandh machate

Gandh machate par sab se sunate
Is ilaako ki bheed mein gum ho jaate
Milate hum hath kar jate hai dosti
Dost hi ban zyada problem har roz ki
Khoz ki maine hip-hop kya cheez
Lagi lajeez tab karta on streets
Jo the kareeb sath deta na koyi
Hum hai gareeb sath deta na koyi

F*ck deta na koyi par maanga kidhar
Jo bap se uljha tu beta sudhar
Tu hype ke maare ab rehta kidhar
Tu rehta udhar nahi mere idhar
Aah neeche

Jis gully ka sher tu banta
Main wahan ka raja
Hai dheet sa yeh ladka
Na hai sunta bas naach aa

Kaisi ch**iye shakal leke rap karne aaya
Dekh jhoothe waade deke usko fasaya
Bhadkaya unhone tabhi hu machaya
Main laya naya kuch aur sabko sunaya
Phir aaya raja aaja sabko batade
Aati sharam toh munh kaala karwale

Marwale tu apni phir mujh tak na aana
Rehna thoda door na mastak mein jaana
Kya sahi kya galat na maine jana
Aafat hi kardo main tha bachkana
Samjhana tha tumko na tumne samjhaya
Ab laut ke dekho phir yeh raja aaya

Boom!

Bombay! Fa, fa, fa
De calter se alter
De kattar se shot
De calter se alter
De kattar se shot

Shikander jab andar
Toh pandar ki maut
Shikander jab bandar
Toh panter ki maut

Woo woo woo

De calter se alter
De kattar se shot
Shikander jab andar
To panter ki maut

Jab aata na jhanta
Toh phate pe maar le dekh
Phatak ke baaju mein
Chewing gum jala rele

Chillam chaali karre
Public jab naake pe
Naake se utarte rehte
Phir ghate mein

Aade mein leke tu baate samjha
Kulsiwadi ki public hai sabko bata de
Mera flow joy deta dekh sabko nachata
Tu le le maza aur phir aage badh aa

Aage badh aa
लिरिक्सबोगी.कॉम
Aage badh aa

Jis gully ka sher tu banta

Main wahan ka raja
Hai dheet sa ye ladka
Na hai sunta bas naach aa

Haan bajela mumbai ka dhol
Toh dikhana padega apna bhi role
Haan dekh
Hai yeh mera zone utha beta phone
Ghuma jaake call hai apan 'ich don
Tu hai beta kaun? Khaal che doun

Awaaz kar neeche sambhaal tera tone
Main kamaya itna ki de dunga loan
Le
Bheede le apan se ho gayele maun
Haan party machare to go goa gone
Paisa bachara nahi idhar pe kaun
Kisko nachara baby tera song
Chal ae band kar!

Mumbai! Ha-ha-ha

Sath mere panter sab de dete maut
Haan aade fattega to de dete shot
Le
Bantai akela hai sabke liye bahut
Zindagi maza ma sab kuchh hai short

Sath mere panter sab de dete maut
Aade fattega to de dete shot
Bantai akela hai sabke liye bahut
Kya zindagi maza ma sab kuchh hai short

Sath mere badla toh aaja
Nachega tu bhi jab bajega tasa aur baja
Vibe mera har baar hai taza
Ja jaake bol sabko aa gayela bombai ka raja

Hai jis gully ka sher tu banta
Main wahan ka raja
Hai dheet sa ye ladka
Na hai sunta bas naach aa.
