Hawaaon mein tera, lehraata aanchal
Laage aasmaan mein, urrta baadal

Yeh pal yeh lamha yunhi thum jaaye
Teri baahon mein ab duniya sajaaein

Tere rang se mere dono jahan ab
Tujhse hi meri raangein fizzaah

Rangreza...rangreza...
Ishq mera rangreza

Rangreza...rangreza...
Tere rang mein mere rangreza

Tera aks meri, palkoon taale hai
Jo meri khwabon ki saanson taale hai

Mera humsafar tu, mera rehnuma bhi
Meri aashqui tu, mera khuda bhi

Duaon mein meri tu hi tou shaamil
Tu hi meri chaahat tu manzil

Rangreza...rangreza...
Ishq mera rangreza

Rangreza...rangreza...
Tere rang mein mere rangreza
Rangreza...rangreza...
Tere rang mein mere rangreza

Rangrezaa...
