

# Right Up There Lyrics

---

## English

Sez on the beat boy.

Ow o...

Yeah yeah yeah...

Right up there, up there  
Up there, up there, up there  
Right up there, up there  
Up there, up there, up there

I ain't got son nobody  
Made it to top top to here  
Puff is ... now cook in  
Only way i know is up from here  
All i got is love for the hommies  
Need to give myself so clear  
Focus on the thing got the vision  
Only way i know is up from here

Right up there, up there  
Up there, up there, up there  
Right up there, up there  
Up there, up there, up there  
Right up there, up there  
Up there, up there, up there  
Right up there, up there  
Up there, up there, up there

Aur main neeche nahi aane wala  
Khada aage aur main peeche nahi jaane wala  
T-shirt, jeans, joote, gaadi meri plane black  
Teri poori album pe bhaari mera ek track

Apni kaali s class ki back seat mein  
Likha yeh gaana, ab lene ki taiyari maybach  
Mere flow mein log dhoondein flaw

But woh mushkil itna jaise  
Finding needle in the haystack

Seedha saada tha main paise ne bigada  
Jalne waalon ko jad se ukhaada  
Tujh jaise takri bante sau  
Rapper nikle jab maine jebon ko jhaada  
Paida hua tha main 80 ke dashak mein  
Log maange but deta nahi f\*\*k mein  
Iss saal meri car aur kaarname dekh kar  
Aa jayenge tere kanche halak mein

Chup rahoge to theek rahoge, yeah!  
Munh lagoge to munh ki khaaoge  
Main sitara jaise aasmaan mein  
Dekh to sakte ho par chhu nahi paaoge  
I'm right up there...

Right up there, up there  
Up there, up there, up there

Mera swag rehta  
Right up there, up there  
Up there, up there, up there

Mere gaane charts pe  
Right up there, up there  
Up there, up there, up there

Beech wali ungli meri  
Right up there, up there  
Up there, up there, up there  
Yeah yeah!

Mehnat karne se hi meri kismat chamki  
Kaam kiya zyada maine baatein kam ki  
Unknown number'on se aati dhamki  
Phir bhi ghumun saari raat akela  
Gaadi mein main sanki  
Karta mann ki main humesha  
Dushman ko nahi andesha

Mere munh se nikle bomb  
Lyricsbogie.com  
Boom boom!  
Tere munh se nikle resha

24 ghante mein se  
25 ghante on rehta beast mode  
Har game jeetun jaise mere paas cheat code  
Apne kandhon pe sambhala huaa rap scene ko  
Log samjhe asli leather nakli rexine ko  
Hai pathetic sab nakli hai sab cosemtic  
Mere paapon ko jeetne ki problem hai  
Hamare yahan yeh problem hai genetic  
Ha ha ?

Supreme hum, hum hain super  
Poora vishwaas uper wale ke uper  
Thookoge jo tum aasmaan ki taraf  
Toh girega tumhare khud hi ke munh par

Limited edition single malt whisky  
Chevy 64, chhat gaayab jiski  
Classic kaafi rare  
Shine like a diamond

Right up there, up there  
Up there, up there, up there

Mera swag rehta  
Right up there, up there  
Up there, up there, up there

Mere gaane charts pe  
Right up there, up there  
Up there, up there, up there

Beech wali ungli meri  
Right up there, up there  
Up there, up there, up there

I ain't got son nobody

Made it to top top to here  
Puff is ... now cook in  
Only way i know is up from here  
All i got is love for the homies  
Need to give myself so clear  
Focus on the thing, got the vision  
Only way i know is up from here

It's your boy badshah!  
Yeah!.
