

# Rishte Naate Lyrics

---

## English

You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me  
You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me

Chalun mein teri peeche peeche  
Baki sare bandhan tod dun  
Jo tere tak na jaye  
Us raste ko chord dun

Har khwab mera umeed meri  
Mein tujhe jod dun

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun jod duun

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun

You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me  
You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me

Jud gai jud gai  
Tujhse yeh meri zindagi  
Mene to paai tujhe mein  
Meri har khushi

Keh gai keh gai  
Mujhse khud yeh baatein teri  
Aksar khayalon mein hoon  
Tere mein kahin

Dekhun mein tujhe  
Lamha lamha har pal  
Apne sene mein rakhun  
Har subhah tujhse milne ki  
Chahat mein jagu  
Ek tu hi to hai hothon ki hasi  
Chehre ka noor tu

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun jod duun

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun

Bas gai bas gai  
Mujh mein abb hai yeh bas gai  
Saanson se aaye har dum  
Khusboo jo teri

Chaa gai chaa gai  
Lyricsbogie.com  
Mujh per yeh jo hai chaa gai  
Badli hai shayaad yeh to tere ishq ki

Yehi hai mere dil ki hasrat  
Pheron tujhse baatein mein karun  
Ho sari baatein tujh pe khatam  
Aur tujhse ho shuru  
Phir waqt bhi yeh ruk jaye wahin  
Ho jab bhi saath tu

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun jod duun

Sab riste naaate haske tod dun  
Bas tujhse dil ka rista jod dun

You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me  
You and i  
Will be together til the end of time  
I promise i ll never let you go  
Now that i know you love me..
