Mehndi ni mehndi

Mehndi ni mehndi
Mehndi ni mehndi

Tere hattan vich phool bann khildi
Mehndi badeyan nasiba naal mildi
Te gaadha rang je chadhya
Ho gayi balle balle oye oye oye oye
Mehndi ni mehndi
Mehndi ni mehndi
Mehndi ni mehndi
Mehndi ni mehndi

Hey yo
I m telling you so lets go
Fil it in the tempo
We not care about them
We just super like nintendo
We gonna buzz it off
Fil the music in you bones
Dj play that tune give me
Something new
We're gonna
Party all night long

Biba meri biba jo
Aayi hai cham se biba
Biba meri dhadkan
Khan khan khanke biba

Dont worry about a thing
Just let the music play
Just fil it in you soul
We are burning up the floor

Enna tu sohna hai
Panga to hona hai
Dil ne to khona hai
Bach ke tu reh zara
Rola pe gaya
Rola pe gaya
Dil se gaya
Rola pe gaya
Rola pe gaya
Rola pe gaya
Dil se gaya
Rola pe gaya

Biba tere haathon mein
Mehndi damke biba
Hoye biba teri
Aankhon mein
Sapne chamke biba

Haan tezz tadaka hai
Bilkul patakha hai
Daala kya daaka hai
Dil pe o jaaniya

O ho ho ho
Aankhein yun seke hai
Daane yun phenek hai
Chup chup ke dekhe hai
Keh de khul ke zara
Rola pe gaya rola pe gaya
Dil se gaya rola pe gaya
Rola pe gaya rola pe gaya
Sab se keh gaya rola pe gaya

Tere nakhre mainu luteya vi
Tere nakhre ne maar suteya vi
Tere nakhre mainu luteya vi
Tere nakhre ne maar suteya vi

Mehndi kehndi mehndi kehndi

Dil se gaya

Rola pe gaya
Rola pe gaya

You got to do what you do
To get you much higher
Don't do what you do
And grab that light of fire now
Do what you do to
Get you much higher
Don't do what you do
And grab that light of fire go

Don't do don't do come on biba.
