Chhum chakare alar yama chhum chakare

Rote hain naina gam ke maare

Bagiyan se pijare mein aai,
Main pachhi majaburb pachhi majabur
Bagiyan se pijade mein aai,
Main pachhi majaburb pachhi majabur
Man baalam ke paas hai meraa,
Tan baalam se dur
Tan baalam se dur
O aa jaa tu aa jaa pritam pyaare
Jod de aa kar tute sahaare

Chhum chakare alar yama chhum chakare
Chhum chakare alar yama chhum chakare
Chhum chakaare
Rote hain naina gam ke maare
Dekh rahi hun din me taare
Chhum chakare alar yama chhum chakare
Chhum chakare alar yama chhum chakare

Chhum chakaare

Alar yama chhum chakaare
Alar yama chhum chakaare

Rag laai hai bahaar rag laai hai
Rag laai hai bahaar rag laai hai
Piya ko sag laai hai

Rag laai hai bahaar rag laai hai
Rag laai hai bahaar rag laai hai
Piya ko sag laai hai
Piya ko sag laai hai
Alar yama chhum chakare
Alar yama chhum chakare

Main to mil bhairavi utha laaye ai dil waale
Kabhi tut gaya jaal bolo chhum chakare
Ho chhum chakare

Main ban ke bhuchaal karun sabako nidhaal
Mere saamane jo aaye bhala kisaki majaan
Bolo chhum chakaare
Bolo chhum chakaare
Mai bhi pure gyaarah saal,
Rahaa jaa ke nainitaal
Main jo laafaa ek jamaaun
Ude khopadi ke baal
Bolo chhum chakaare
Bolo chhum chakaare
Alar yaamaa
Chhum chakaare

Rag laai hai bahaar rag laai hai
Rag laai hai bahaar rag laai hai
Piya ko sag laai hai
Piya ko sag laai hai

Rag laai hai bahaar rag laai hai
Rag laai hai bahaar rag laai hai

Piya ko sag laai hai
Piya ko sag laai hai

Chali aaj wo pawan jiyaa gaya dukh bhul
Lagi dil mein jo aag bani aaj wahi phul

Alar yama chhum chakaare
Alar yama chhum chakaare
Alar yama chhum chakaare
Alar yama chhum chakaare.
