Balliye haweli ch drum ni

Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni
Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni

Saddi zindagi de tu banaundi rahi troll
Ni tere jehiyan jhat kar laiye conrol
Umran de kardi rahi daave jatt nu
Tuttiyan de jatt ne wajate ajj dhol

Bautiyan dimagon ni jo tej hundiyan
Dig diyan mude munh dhadam ni

Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni
Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni

Dil bhawein tutteya ae karde aan fun ni
Din raat party te chaldi ae rum ni
Na baby'an ne chhadeya
Na dil vichon kaddeya
Shonk naal peene aa
Life baby jeene aa

Vodka te rum ni
Peeke bhullan gham ni

Thando thand daru peeni
Hor koyi kam nai
Thando thand daru peeni
Hor koyi kam nai

Yaaran beliyan de naal la laiye scheme
Haye ni lal pari kardi aa raatan nu rangeen
Ho milke ni sathon billo peg lagde
Jod ke glass kar laiye takseem

Pehle peg naal nahio akhan meechede
Hit kardeyan khul jaande khamb ni

Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni
Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni

Hangover di nahio parwah jatt nu
Peeke deyi di tasalli dil wale fatt nu
Meet hundal nu kehda ghata naaran da
Bhale vehleyan ch janch gayi si ankh nu

Tuttde pyar jaden kachchi umre
Jande parkhe ne leevran de dum ni

Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni
Thand katdi seyalan vich rum ni
Bahane naal bhul jaayi de aa tere gham ni.
