

Rumors (Title) Lyrics

English

Dujeya de kanna vich
Sadiyan tu gallan kare,

Tu aave mere kol
Par main rahwan tetho parey.

Jane-khane nal tu attach kare name ni
Mainu pata tere baare
Labdi tu fame ni,

Mere piche lag gayi ae tu...
Fir dasdi ae lokan nu.

Kineya nu dikhaya tu husan tera
Taiyon karda main tere te yakeen ni,

Teri ah harkatan
Sara jag jaan da
Bhaawein kudiye
Tu lagdi shukeen ni.

Kudiye tu vaare dasdi tu ki ni
Har gal lokan wich chakeya na kar,

Mere naal jo hundi
Now you talking crazy
Dil wali dil ch hi rakheya tu kar.

Coz the rumors go around, around around, around
The rumors go around, around around, around
Coz the rumors go around, around around, around
The rumors go around, around around, around

Fateh rap verse,

Okay i didn't heard you keeping,
My name in your mouth girl,

Say that we been going out,
Neither quit the drinking,
Probably chill,
Take a second thing,
Before it all goes out girl.

You been lying,
Making up days,
Putting dirt on my name,
Keep playing out these games,

You know that ain't right girl,
Say that we did this and that,
Even got a couple snaps.

Saal pehlan tera number si main mangeya
Hun tere kol di main bina dekhe langheya,

Lokan nu tu dasdi ke
Fateh hoye tera
Phir fateh nu billo kado dena si suneha.

Kudiye tu vare dasdi tu ki ni
Har gal lokan wich chakeya na kar,
Tere nal jo hundi
Now you talking crazy
Dil wali dil ch hi rakhya tu kar.

Got the rumors go around, around around
The rumors go around, around around, around
Got the rumors go around, around around
The rumors go around, around around, around
Got the rumors go around, around around
The rumors go around, around around, around
Got the rumors go around, around around
The rumors go around, around around, around
