

Running Away (Title) Lyrics

English

Things ain't the same now
Every time i get close you push me away
It won't be the same now
You say that you love me
But i don't feel that way
Now i'm running running away
I'm running away now
Now i'm running running away i don't feel the same now

Ik vari mehnu keh de tu nai meri
Mehvi modke na vekhanga kadi
Tu vi mere naal seh raiye jehri
Mehvi tere naal khush kyo nahi

Oahhhh
Hona alag naiyo si
Oahhh
Oh gal kyu nai rehi

Things ain't the same now
Every time i get close you push me away
It won't be the same now
You say that you love me
But i don't feel that way
Now i'm running running away
I'm running away now
Now i'm running running away i don't feel the same now

Sadde vich aj to doori e sahi
Enik kahani tu adhoori chhad gyi
Mennu pata lgga tere dil vch ki
Bas kehde mehnu teri nahi

Oahhhh
Hona alag naiyo si
Oahh

Oh gal kyu nai rehi

Things ain't the same now

Every time i get close you push me away

It won't be the same now

You say that you love me
