

Saath Ya Khilaaf Lyrics

English

Yea
Kr dollar sign!
Raftaar!

Jeeta kaun haara kaun
Game chala raha kaun
Saare chakachaund
Is level ka saala kaun kaun

It's the hand of god
Jaise main hoon maradon
Aa mere sehar mein
Dikha du tujhe jwala kaun kaun

Mujhe khabar hai
Kabar mein bhi amar hai mera naam
De samman is sham ka bol ujala kaun kaun

Rap ke ragistan mein main woh insaan
Jiska haq se naam
Jaise ilzamaam, bin sahara kaun kaun

Sun lo suchna phir bad me mat puchna
Sampo ko dene aya maut
Beta jaise zeus ka
Pehalwan hoon main booth ka
Puche agar sabot ka
99 wala em, mere pen mein hi proof tha

Lele advice ab mic pe main nice ab
Barf lagale chot pe
Only time that you're iced up
Khel mein the bhai sab
Banaya sab fight club
Mere bars dete rappers ko shot
Jaise ye night club

Light up chote tu kal ho na ho
Ek rapper ko laga hogi chandi
Uski par sona do
Track pe bante hai sher
Asliyat mein jo na woh
Pass bhi nahi aate mere
I call it corona flow

You know how we ride
Kalamkaar gang means homicide
Bol bane jali kyun
Baat ko dabali kyun
Fame ka bikhari tu
Main aim se shikari hoon

Ya toh mere saath tum ya mere khilaaf
Na mujhse karna baat
If you running with the opps haan

Ya toh mere sath tum ya mere khilaaf
Na mujhse karna baat
Aur ye baat poori saaf haan

Ya toh mere saath tum ya mere khilaaf
Na mujhse karna baat
If you running with the opps haan

Ya to mere sath tum ya mere khilaaf
Na mujhse karna baat
Aur ye baat

Ye bhagidari jaise mob deep
R.i.p to prodigy
Kafi ne na sune kafi pehle faile wannabes
R.i.p to jaybee
Blessing for my enemies
Aadat inki tohmat ki toh
Mohlat fokat ki hai hi nahi

Kotak mein sohrat deke bhi
Chaukhat pe sohbat baithegi

Nautanki chaupat maine ki
Mili daaga hai pehle bhi
Donut lagega gadi mein
Panni chadhi thi maine li
Kanni kategi teri hi
Paida hua main shehri ni

Kachi kehri ke gehri sajish ke ghaw
Kafi halki kharonche hai khafa padi hai dau
Khaas hi jalte jahajo se jinki chalti na nav
Gaali galat maine di toh main na hindustani bhau

Pehli fursat mein kudrat ne meri gurbat kardi door
Mashoori meri mazboori kalakari guroor
Kasoor mera itna main bana khulli tandoor
Bande aaye roti sekhi meri boti rahe ghoor ab

Glitch boy main hi nu neo bitch boy
Pitne wale smith hai saare jinke piche itch boy
Dhayan mera apno pe hain karna unko pitch boy
New flash from the future
Karma is the rich boy

Kalamkaar we be going high

Haan ab bhi mere saath jo the
Pehle mere bhai
Hai sabne mari gaath ye ke
We gonn ride or die
Hai pale maine saanp ab sapera bole maiya

Ya toh mere saath tum ya mere khilaaf
Na mujhse karna baat
If you running with the opps haan

Ya to mere saath tum ya mere khilaaf
Na mujhse karna baat
Aur ye baat पूरी साफ़ हाँ

Ya toh mere saath tum ya mere khilaaf
Na mujhse karna baat

If you running with the opps haan

Ya toh mere saath tum ya mere khilaaf
Na mujhse karna baat
Aur ye baat poori saaf haan

If you gang
Would you ride for me
Would you fight for me
Tell me would you die for me now

If you gang
Would you ride for me
Would you fight for me
Tell me would you die for me now

If you gang!.
