## English

Tainui hatth vich fadna snow wargi  
Mera har ik khaab nu glow kardi  
Tainu dunia toh jitt lava fight karke  
Tainu bahar vich kutt lava tight karke  
Teri need ae bus tu naiyo kol  
Yaar mainu kehnde tu jawani na raul

Sab theek ae, main rakha pastol  
Tainu apni banana meri zindagi da goal  
Sab theek ae, main rakha pastol  
Tainu apni banana meri zindagi da goal

Tainu dil vich kar lava hide goriye  
Tu mere lai bonnie te main clyde  
Jo galla kare saari routeru sohniye  
Kinna kardi pyaar look lu sohniye

Ha tere naal love u....  
O baby cause i trust you...  
Heartbeat ae, tu kare control  
Yaar mainu kehnde tu jawani na raul  
Sab theek ae, main rakha pastol  
Tainu apni banana meri zindagi da goal

Sab theek ae, main rakha pastol  
Tainu apni banana meri zindagi da goal

Baby i can little try with you  
Which you there nothing i can do  
Nothing never comes easy i know  
If we put that working we get in so  
I was born to hell, i thinking fell from hevan  
Sometimes i looking in your eyes  
& all i see is leval  
Heard them saying & i'm loving  
Had it telling my love

Is someone never touch for baby
