

Sach Bolo Lyrics

English

Sach bolo sach bolo
Sach bolo sach bolo
Sach bolo sach bolo
Sach bolo sach bolo

Sach bolo sach bolo
Sach bolo sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan huaa hai
Sach bolo sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan huaa hai
Sach bolo sach bolo
Ghar ke andar foz
Khadi hai juthon ki
Darwaze pe board laga
Hai sach bolo sach bolo
Darwaze pe board laga
Hai sach bolo sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan huaa hai
Sach bolo sach bolo

Humne maana jaana jaana
Humne maana jaana
Bahot haseen ho tum
Kaliyon se jyada
Kamsin rangeen ho tum
Dikhta hai jismein sab
Kuch wo durbin ho tum
Pichhle saalo se
Sweet sixtin ho tum

Aakhir umar tumhari
Kya hai sach bolo sach bolo
Mack up mein kya raaz
Chhupa hai sach bolo sach bolo
Subaah subaah tum
Mujhse milne aayi ho
Shyaam ka kisko time
Diya hai sach bolo
Shyaam ka kisko time
Diya hai sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan huaa hai
Sach bolo sach bolo

Alladin ka tumne
Charaag paaya hai
Yaa phir chuna kisi
Ko yaar lagaya hai
Li hai feraari bangla
Bhi banvaya hai
Kis dhandhe mein
Itna maal kamaya hai
Beema hai yaa bech
Diya sach bolo sach bolo
Gotala kya tumne kiya
Hai sach bolo sach bolo
Lunch mumbai dinnar
Dubai mein karte ho
Business tumhara kya
Hai sach bolo sach bolo
Business tumhara kya
Hai sach bolo sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan huaa hai
Sach bolo sach bolo

Soch samaj kar
Soch samaj kar

Soch samaj kar
Sidhi sachi baat kaho
Neta ji iss baar ho
Kiske saath kaho
Mila rahe ho kis dal se
Tum haath kaho sach bolo
Are ise jita kar doge kisko
Maat kaho sach bolo
Kisne kitna maal diya hai
Sach bolo sach bolo
Ye sauda kitne mein

Kiya hai sach bolo sach bolo
Baat baat pe kasam
Desh ki khaate ho
Aakhir aapke dil mein
Kya hai sach bolo sach bolo
Aakhir aapke dil mein
Kya hai sach bolo sach bolo
Juthon ne juton se kahan
Hai sach bolo sach bolo
Sarkaari elaan hua hai
Sach bolo sach bolo.
