Kagaj ke phoolo pe kaise
Aa sakti hai bahar

Jis dil mein lagan manzil ki ho
Jis dil mein lagan manzil ki ho
Wo manzil ko pa hi lega
Raste ke har kante ko wo
Phool bana hi lega
Phool bana hi lega

Badal garje bijli kadke
Tufa shor macahye
Manzil ka matwala rahi
Aage bhadta jaye
Hanste hanste har mushkil
Aasan bana hi lega
Aasan bana hi lega
Jis dil mein lagan manzil ki ho
Wo manzil ko pa hi lega
Raste ke har kante ko wo
Phool bana hi lega

Dur ho kinara bhale door ho
Kitna wo thaka hara majbur ho
De de jaan par na dare matwala
De de jaan par na dare matwala
Isme hi jit mane jit dilwala
Jis dil mein lagan manzil ki ho
Wo manzil ko pa hi lega
Raste ke har kante ko wo
Phool bana hi lega
Phool bana hi lega.
