Sadhana aradhana
Meri rah gayi adhure
Dekh o nataraja
Dekh meri yeh majbure
Kaise nache mayure

Nache mayure
Sadhana aaradhana

Maine kitne deep jalaye
Maine kitne deep jalaye
Maine kitane phool chadhaye
Bhul huyi kya mujhse deva
Bhul gaya tu meri seva
O kailash ke vasi
Meri aatmarah gayi pyasi
Meri pooja huyi na puri
Sadhana aradhana
Meri rah gayi adhure
Sadhana aradhana
Meri rah gayi adhure

Main rou main tadapu aise
Main rou main tadapu aise
Pankh bina koi panchhi jaise
Pahale chham chham
Bajate ghungharu
Abb chham chham
Bahate hai aansu

Main chal bhi na paau
Main kya nachu main kya gaau
Mann ki tut gayi bansuri
Sadhana aradhana
Meri rah gayi adhure

Dekh o nataraja dekh
Meri ye majbure
Kaise nache mayure
Kaise nache mayure

Tan ghayal mann mera ghayal
Tune todi meri payal
Phir bhi jeevan bhar nachungi
Chham chham ro ro kar nachungi
Gir jaungi pad nachungi
Mar jaungi pad nachungi
Main ik paav pad nachungi
Main ik paav pad nachungi
Mar jaungi pad nachungi.
