Tu chhod de satana
Kehna mere paas aa ja
Sajana chhodo mera dil na mane
Dil na todo tu kuch na jane

Abto wafa yaar karle
Mujhe ek pal pyar karle
Mujhko sharam aa rahi hai
Madhoshi chha rahi hai
Mere liye meri ja meri ja
Teri ada mere liye
Mere liye meri ja meri ja
Tu hai bana mere liye
Mujhse tu door na ja
Sajana chhodo mera dil na mane
Dil na todo tu kuch na jane
Ab karna bahana
Tu chhod de satana
Kehna mere paas aa ja
Sajana chhodo mera dil na mane
Dil na todo tu kuch na jane

Tujhko kasam raja jani
Aise tu na kar chhed khani
Lagja gale tu deewani
Puri karle ye kahani
Roko mujhe ye hawa ye ghata
Main kya karu mere sanam
Chhane laga kya nasha

Dilruba main kya karu
Behke kadam
Sajna mann pe chha ja
Sajana chhodo mera dil na mane
Dil na todo tu kuch na jane
Ab karna bahana
Tu chhod de satana
Kehna mere paas aa ja
Sajana chhodo mera dil na mane
Dil na todo tu kuch na jane.
