Ro rahe hain ke ek aadat hain
Warna itana nahi malaal humen
Saqiya saqiya sambhaal hamen
Saqiya saqiya sambhaal hamen

Hum yahan bhi nahi hain khush lekin
Hum yahan bhi nahi hain khush lekin
Apni mehfil se mat nikaal humen
Saqiya saqiya sambhaal hamen
Saqiya saqiya sambhaal hamen

Hum tere dost hain faraaaz magar
Hum tere dost hain faraaaz magar
Ab na tu uljano mein daal humen
Saqiya saqiya sambhaal hamen
Saqiya saqiya sambhaal hamen
Le udda aakhir koi khayaal humen
Saqiya saqiya sambhaal hamen.
