

Say My Name Lyrics

English

Say my name, say my name yo
Say my name, say my name yo
Ab darte hai saale
Mera naam leke dekh to..

M g

Say my name, say my name yo
Say my name, say my name yo
Say my name, say my name yo
Ab darte hai saale
Mera naam leke dekh to..

Poori life mein underdog tha
Kalam chale mera lage thunderstorm sa
Beat waje jab bom pa pam pa pam pam
Sare dekhenge jalwa bhi mere dam ka

Lagi lanka shanka hai inme
Mere bina game trash
Ab to jamta nahi bin k
Jo bhi net pe baithe gyan chde Unki g*nd tode
Pehchan chote huya ghanta nai inse

Say my name say my name ya
Desi rap ko bana diya hai maine wrestlemania
Game mein baant rahe the friendship band
Phir aaya me click click bang
Ab sare bole damn what is this behaviour

Bhagwan wale kaam kaise karenge ye deviyan
Japo naam pranaam karo me saviour
Rap maidaan thoko salaam me brigadier
Pehle bole peace phir dalenge tu subliminal
Kr\$na is on the pinnacle
Chodunga inhe critical

Naam bhi lage mythical
Umbilical cord pe mic ka jack karun main rap
Booth mein lagoon main smooth criminal
Too clinical through syllabus
Ye to saare haare
Aur huya main bruise minimal
Nikalun jalus belarus se door senegal
Dakaar maaru kha ke yeh rapper hai too edible

Sunta hu sab to tu banana na mistake
Aane wali peedhi bhi sunegi mere kisse
Jo bhi bole mere gaane chale sare diss se
Wo khood chale bane reality show ke hisse

Thats a fact ab karo deny
Haan school of hard knocks ka main alumni
Ye ladkiyo ke chakkar mein sallu ban jaye

Main karun erase ex jaise saluchan guy

Say my name say my name yo
Say my name say my name yo
Say my name say my name yo
Ab darte hai saale
Mera naam leke dekh to

Sneak diss karne mujhe lage lame joke
Pichvade mein ghusa le apna fame bro
Bars ki hai baarish beta laga le tu raincoat

Yahan to tog badalte hai rang jaise rainbow
Down in g town karun sair is shehar mein
Sare shabd yahan lipte pade hai zehar mein
Your honey bee with me ungli daale shehad mein
Winnie the poo rappers inhe
Kar na paata bear mein

Inse pehle hum paisa kama rahe the
Kiya tha hustle aur game ko sambhale the
Har gaane mein kha rele maa rele ja rele
Aise rapper to hum l*d pe bitha rele

Abhi bhi hai ghamand inhe kaahe ka

Chakh lo kalam le lo aake beta zaika
Kate inke pyaaz to aayega inhe swad
Gire aansuyon ki dhaar beta failega ab raita

Kya fayada kar payega nai tu
Haar jayega marvaega bhi tu
Maar khayega lad paayega nai tu
Alqaida ban paayega nai tu
Jeet loon mera flow speed of light ya

Seedha vibe diya better leave the mic ya
Re-define kiya you just need a life ya
Inka fav hai kaul jaise pidilite ya

Sidha barf wale wadiyon se
Pahadiyon ke beech aaya
Haavi ho ke mere gaaye geet jaise
Naari ho ke shaadion pe
Mere shehar mein kaafi log hai
Jinhe gaali di to thokenge tumhe
Adios hai

Bhaari hote mere lines ye to jaan
Mike tyson yeh khaare mera kaan
Lage dyson sucker wale kaam
Agar chahiye tujhe war to
Pukaar mera naam

Say my name say my name yo
Say my name say my name yo
Say my name say my name yo
Ab darte hai saale
Mera naam leke dekh to..

Say my name say my name yo
Say my name say my name yo
Say my name say my name yo
Ab darte hai saale
Mera naam leke dekh to..
