Karde ni haan brown munde nu

Tere pichhe maare gedhe mutiyare
Tere pichhe maare gedhe mutiyare
Lang jaave kolon kar shoon...

Black black suit tera gori gori tu
Karde ni haan brown munde nu
Black black suit tera gori gori tu
Karde ni haan brown munde nu

Kudiyani ch badi decent lagdi
Natural beauty teri jaave
Kudiyani ch badi decent lagdi
Natural beauty teri jaave
Beauty teri koka
Mainu dede ik mauka
Beauty teri koka
Dede ik mauka
Tenu life time love main karun

Black black suit tera gori gori tu
Kar de ni haan brown munde nu
Black black suit tera gori gori tu
Kar de ni haan.

Ah!
Girl i know your type
Get whatever you want
Leave what you don't like
You just love to taunt
Do 'em cold as ice

You think i'm going to bark
Maybe i'm gonna bite.

Your selfie gain one hundred
In rear bottoms you running
Ain't worried about them other girls
Cause they ain't really got nothing
On you, yeah girl on you
You made me spend some time away
And now i only want you
That black suit can commit crimes
You fine girl
And we both right here so
Let's not waste no time, girl!

Aa ke sannu mareya tera meetha meetha haasna
Khede tu aa sadde varga ni labhna

Black black suit tera gori gori tu
Karde ni aa brown munde nu
Black black suit tera gori gori tu
Karde ni aa brown munde nu

Aa vekhan akhbaar aa ch main nit photo'an
Hero ehna na ghaint tu balli lauteyan
Vekhan akhbaaran ch main nit photowan
Hero ehna na ghaint tu balli lauteyan
Ki kat ki kareena, na tere jehdi haseena
Ki kat ki kareena, na tere jehdi haseena
Tera hero koki deep hi banu
Black black suit tera gori gori tu
Karde ni haan brown munde nu
Black black suit tera gori gori tu
Karde ni haan brown munde nu.
