## English

Sharaabi sharaabi ye saawan kaa mausam  
Khudaa ki qasam khubasurat na hotaa  
Agar isame rang e muhabbat na hotaa  
Sharaabi sharaabi ye saawan kaa mausam

Suhaani suhaani ye koyal ki kuke  
Uthaati hai sine me rah rah ke huke  
Chhalakati hai masti ghane baadalo se  
Ulajhati hai nazare hasin aanchalo se  
Ye puranur mazar  
Ye puranur mazar ye ragin aalam  
Khudaa ki qasam khubasurat na hotaa  
Agar isame rag e muhabbat na hotaa  
Sharaabi sharaabi ye saawan kaa mausam

Gulaabi gulaabi ye phoolo ke chehare  
Ye rimajhim ke moti ye bundo ke sehare  
Kuchh aisi bahaar aa gai hai chaman me  
Ke dil kho gayaa hai isi ajuman me
