Shukran allah wallah alham dulillah

Shukran allah wallah alham dulillah
Shukran allah wallah alham dulillah

Nazron se nazrein mili to
Jannat si mehki fizayein
Lab ne jo lab chu liya to
Aasmaan se barshi duyaien

Aise apni mohabbat
Aise rooh-e-ibaadat
Hum pe meherbaan do jahan

Shukran allah wallah alham dulillah
Shukran allah wallah alham dulillah

Shukran allah wallah alham dulillah
Shukran allah wallah alham dulillah

Teri bahaon mein yeh jism khil gaaya
Teri saanson mein chain mil gaya
Kaise rahein abb hum juda
Ho ho
Teri paas hum itne hue
Tere khwaab apne hue

Kaise hue abb hum fida
Aise uski inayat
Mit gayi har shiyaat
Hum pe meherbaan do jahan

Shukran allah wallah alham dulillah
Shukran allah wallah alham dulillah

Shukran allah wallah alham dulillah
Shukran allah wallah alham dulillah

Tere saaye mein li har khushi
Teri marzi meri zindagi
Le chal tu chahe jaahan
Haan haan
