Meri jaan tu ruthe agar

Tujhko manalu main

Sine se laga loon main

Tujhe saanso mein

Chhupalu main

Meri jaan tu ruthe agar

Tujhko manalu main

Sine se laga loon main

Tujhko uthalu main

Mamta ki baaho mein

Rehta hai tu harpal

Meri nigaho mein

Tujhko uthalu main

Mamta ki baaho mein

Rehta hai tu harpal

Meri nigaho mein

Mujhe bada pyara lage

Aankho ka tu taara lage

Mere lal tu aaja yaha

Dil mein basa lu main

Sine se laga loon main

Tujhe saanso mein

Chhupalu main

Sine se laga loon main

Tujhe saanso mein

Chhupalu main

O jaan tu ruthe agar

Tujhako manalu main
Sine se laga loon main

Tune mujhe mera
Bachpan dikhaya hai
Maine tujhe haske
Jeena sikhaya hai
Tune mujhe mera
Bachpan dikhaya hai
Maine tujhe haske
Jeena sikhaya hai
Aansu kabhi khona nahi
Dekho kabhi rona nahi
Dedu tujhe khushiya sabhi
Tere gham churalu main
Sine se laga loon main
Tujhe saanso mein
Chhupalu main
Sine se laga loon main
Tujhe saanso mein
Chhupalu main
Meri jaan tu ruthe agar
Tujhko manalu main
Sine se laga loon main.
