

Sniper Lyrics

English

Yun na karwa
Dil nu addiction tera
Sabton jayaad
Kudiye attraction tera

Jad fashion karke nikle
Taan ban jaye breaking news
Jadon wink tu kari ae taan
Udd jaande fuse

Ankh teri sniper, sniper
Chalawe sidha goli, goli
Karegi mera murder
Tu pehle kyun na boli

Ankh teri sniper, sniper
Chalawe sidha goli, goli
Karegi mera murder
Tu pehle kyun na boli

Now listen up girl
I gotta say this
Yeah yeah

You got these eyes
That mesmerise
I do realise
I'm gonna far for you

And you know what
I know what in your mind
'coz we two of a kind
But its sill and shine
I'm all for you
All for you

Trippy hai flippy hai
Chant patari hai
Dil mera soche
Kya karna chah rahi hai

Modd tera chann varga
Roz badlda ae
Roop tera kya kehna
Paagal karda ae

Mainu magnetic lagde
Kuduiye tere tattoo
Kivein close tere main aawan
Dil mera confuse

Ankh teri sniper, sniper
Chalawe sidha goli, goli
Karegi mera murder
Tu pehle kyun na boli

Ankh teri sniper, sniper
Chalawe sidha goli, goli
Karegi mera murder
