

Something Something Lyrics

English

Something something
Humko to gana hain something something
Sabko sunana hain something something
Dhum machana hain something something
Rang zamana hain something something
Aise na hareng hum bazi mareng
Aa jao

Sab dekho wo gaya purana
Aa gaya phir naya yeh zamana
Aaye hain din hi kal hamara
Aaj ho ya na ho kal hamara
Something he want something

Sadko pe galio mein something something
Bago mein kaliyo mein something something

Kamre ke andar hain something something
Har jodi mein hain something something
Aise na hareng ab bazi mareng
Aa jao

Ho rahi har jo khicha tani
Sabke dil mein chhupi beimani
Socho kya ho raha is sahar mein
Dekho kya ho raha sabke ghar mein
Chalo chalo chalo something we want
Chalo chalo chalo something

Sohar karta hain cooking cooking
Kapde karta hain washing washing
Biwi to dekhe to shivling shivling
Karan sabka hain something something
Aise na hareng hum bazi mareng
Aa jao

Chalo dekho wo kya kar rahe hai
Dasratho ke kadam badh rahe hai
Sabke ghar ghar ki tum checking kar lo
Zara thehro tum thoda waiting kar lo
Chalo chalo chalo smoehting we want
Chalo chalo chalo something
Chalo chalo chalo smoehting we want
Chalo chalo chalo something.
