## English

Soniye soniye soniye soniye  
Soniye soniye soniye soniye  
Tu hi tu hi meri manzil  
Tu hi chaahat mein hai shaamil  
Tu hi tu hi meri manzil  
Tu hi chaahat mein hai shaamil  
Kuch aisa keh do jaan e dil  
Tere bina meri subah nahi jalti  
Tere bina meri shaam nahi dhalti  
Tere bina meri jaan hai pighalti  
Soniye soniye soniye soniye

You are my love you are my life  
You are the one deep in my heart  
You are my love you are my life  
You are the one deep in my heart

Tu hi mere tu hi mere  
Ishq ki itteda hai  
Tu hi mere tu hi mere  
Ishq ki inteha hai  
Saanson ki jhumbish kehti  
Hai kuch nahi tere siwa hai  
Tere bina meri subah nahi jalti  
Tere bina meri shaam nahi dhalti  
Tere bina meri jaan hai pighalti  
Soniye soniye soniye soniye

I i got to move on

Doobe doobe jism o jaan hai

Pyaar ki baarishon mein  
Jee raha hoon jee raha hoon  
Main teri khwaahishon mein  
Bhool ke main duniya saari  
Khoya tere nashe mein  
Tere bina meri subah nahi jalti  
Tere bina meri shaam nahi dhalti  
Tere bina meri jaan hai pighalti  
Soniye soniye soniye soniye

Kehka shah hai tera chehra  
Yaadon mein hai tera pehra  
Tera mera naata bada gehra  
Tere bina meri subah nahi jalti  
Tere bina meri shaam nahi dhalti  
Tere bina meri jaan hai pighalti

Soniye soniye soniye soniye  
You are my love you are my life  
You will always be deep in my heart  
You are my love you are my life  
You will always be deep in my heart
