

Sonu Sood Lyrics

English

Sonu sood tera naam hai bada
In halaton me bhi tu chattan sa khada
Logon ne to hai sirf apni hee sochi
Halat the gambhir per tu unse hai lada
Kaise hai zindagi samjh na koi payaa tune
Halaaton ko parakhan or inhe apnaayan yha

Apna paraya kaam naa aaya aaj
Akele hee hai tune inhe ghar pohunchaya
Dhuaa banake fiza me uda diya usko
Wo jal raha tha tune hai bujha dia usko
Woh ghada tha rotiyo ke char tukdo ke liye
Apne biwi bachho se milwa dia usko
Zaroorat badhti hai gatti nahi
Aisi zindagi chalti hai tikti nhi
Jo bikjaaye jaan wo jaan nahi
Iss desh ke jaise koi shaan nahi

Jo kisi ne na kiya tune karke dikhaya
Lyricsbogie.com
Sabne maan li thi haar tune karke bataya
Reel life wala villien aur real me tu hai hero hai
Airlift wala kissa firse dohraya

Haar na maani khud ke dam pe khada hai
Kabhi ruka kabhi jhuka halat se lada hai
Kismat deti muka fir to tu aadmi bada hai
Baghwaan kya ye roop naiki karne chala hai
Ab karna bhala or karma bada hai
Politicians ke chakkar mein dharna hua hai
Aam aadmi hain baitha ghar pe rasan na hai paisa
Itti saari dikkaton mein banda fas sa gaya hai

Mazboor yah janta fir jaye kaha
Insta par story per ration kaha

Dikhawe ka bhasan sunana nai ha
Paisa hai jeb me per nikala nhi haa
Kyun karte ho aisa jab jeb me hai paisa
Dikhawa yaha pe na koi tumhare jaisa
Na tikta yaha pe tu banda hai kaisa
Sonu sood wali soch rakho bano thoda aisa

Jo kisi ne na kiya tune karke dikhaya
Sabne maan li thi haar tune karke bataya
Reel life wala villien aur real me tu hai hero hai
Airlift wala kissa firse dohraya

Aadhuri kahani hai sabko sunani hai
Ek insaan or aneko kahani hai
Aya hai ladne ko aani sunami hai
Garje hai badal to barish bhi aani hai
Lagti hai baatein toh baatein zubani hai
Shatru ki rap me nayee see kahani hai
Likhne ko kalam or bottle me pani hai
Jab tak hai jaan chalani manmaani hai
Karte ja..karte ja..karte ja..
Aage aage ab tu badhta jaa
Sath hain pura desh mahan hai
Aage aage ab tu badhta jaa

Mahamaari hai faili desho me
Datt ke karte muqabala
Nikle hai log sadko pe
Pahochenge ghar hai kaamna

Jo kisi ne na kiya tune karke dikhaya
Sabne maan li thi haar tune karke bataya
Reel life wala villien aur real me tu hai hero hai
Airlift wala kissa firse dohraya

Actor nahi real life me hero hai
Janta bhi janti hai neta tu zero hai
Karti hai baatein per puri ni hoti
Lagti hai chot adhuri see rehti hai
Waise hamesa yaad tu rehega
Dil ki dua hai tu khush rahega

Hazaro ki janta or arbo abaadi
Kardegi dua ye kasth katega

Ab aai baari sunami ki ane ki
Jani hai dusman tujhko bhi le legi
Jitne bhi papi hai sabko le dubegi
Kosis to kar tujhe maafi bhi de degi
Hath badha garibo me aa..
Garibo mein basta dil bhi bada
Jitna tu hota hai utna tu kar
Baki uper wala tujhe dega bada.
