

Sound De Lyrics

English

Chhote zara sound de
Ab thodi bhagdad
Machne de ground pe

Police agar round pe
Mat dar yahan sab
Kadak hai launde

Sab jaise zombie
Nach nach thak thak
Bhale unconscious

Fire hai on stage
Kadak hai vibe
Aur sab hai full form mein
Chal

Hoon main tere on face
Sunke nahi lete hai
Hum kisi ki bhi nonsense
Hoon main bete john wick
Dare thar thar thar
Thar mere kam se

Aur hoon main wanted
Dhoondein mujhe har koyi
Leke bade contract
Hote rehna bounce bae
Nache hum saare saare
Rules ko raundh ke

Bhai tera shayar hai
Bhai tera fire hai
Sunn bete side se katt le
Hum khule pade wire hai
Chuye jo woh ghayal hai

Dino mera nam hai ratt le

Hum toh rebel hai
Khule pade bail hai
Tufaan ufaan mein bheetar
Aag hai seene mein
Full hai paseene mein
Aaj fatenge saare speaker

Hum girenge padenge bidenge hilenge
Aur hilega ab sang saara gaon
Sabhi bhai log side ho
Chaahe toh join ho
Aao mere sang sang gaao

Mujhe ghar na bulana dady
Karna main aanakani
Rakhna na mann mein koyi doubt

Aaj pura bomb hoon main
Fatunga bhukamp hoon main
Chhote zara dede ja tu sound

Chhote zara sound de
Chhote zara sound de
Chhote zara sound de

Chhote zara sound de
Chhote zara sound de
Chhote zara sound de

Chhote chhote chhote chhote
Chhote zara sound de
Chhote chhote chhote chhote

Chalo sab sang mere
Hoon main bagpiper
Diaper wale bache
Sab ghumein bane hyper
Baaki bache pyade hain
Yeh chale bas dhai ghar

Jo tu mere sath nahi
Toh hai tu mera rival
Baaki raper'on ko dekh ke
Munh se nikle hi girl
Padosi na jaane par
Kehte gaane viral

Sab jane sach kya hai
I don't need a title
Agar tujhe doubt ho toh

Aaja mujhe try kar

Dash jodta chala jaunga
Main beta sabki
Rona nahi tu aaja dedu
Jaadu ki ek jhappi

Thoda mujhme aamir hai
Aur thoda sa hai akki
Khujana na mat raja
Nahi toh naak hogi chapti

Lagne de aag saale
Chakhne pe ajj jwaale
Kadmon mein aaj tere
Bakar yeh raat bhar hai

Bhag na be baap aa rahe
Koyi nahi barabar hai
Raper ye dhakad hai
Bachoge nahi bhag kaha rahe

Dilo mein hai aap sare
Bilo me hai sanp sare
Kehne ka ye tatparya hai
Dino bete g**nd faade

Hoon main beta rock solid
Baaki saale papad hai
Bade bol maaf kare

Ab hogi bhaukali

Hath mera heart par hai
Gath meri baat par hai
Baat ki hum sath badhe
Sath mein jo sath padhe

Smart bane waat lage
Dant tale hard chane
Laat pade char par head
Kaach par ho aap khade

Thath badhe bath badhe
Art tera ghas bhar hai
F*ck pade fart kare
Bhag kade maaf kare

Half le tu sath mere
Offer ye rat bhar hai
Aaj main doon nach saale
Nach nach nach nach

Chhote zara sound de
Chhote zara sound de
Chhote zara sound de

Chhote zara sound de
Chhote zara sound de
Chhote zara sound de

Chhote chhote chhote chhote
Chhote zara sound de
Chhote chhote chhote chhote
Yeah chhote zara sound de.
