Ek hum hue janeman kis tarah
Tan mein jaan jaan
Mein tan jis tarah
First step haath mile
Second step aankh mili

Third step dil mile
Fourth step pyar hua
Step by step step by step
Ek hum hue janeman is tarah
Tan mein jaan jaan
Mein tan jis tarah
First step haath mile
Second step aankh mili
Third step dil mile
Fourth step pyar hua
Step by step step by step
Ek hum hue janeman kis tarah
Tan mein jaan jaan
Mein tan jis tarah

Ek dilbar ki jagah dono
Ke dilo ne thi khali
Chahat ke tum bhi
Sawali the janam
Chahat ke hum bhi sawali
Ek dilbar ki jagah dono
Ke dilo ne thi khali
Chahat ke tum bhi
Sawali the janam
Chahat ke hum bhi sawali
First step tumne socha
Second step maine socha
Third step wade hue
Fourth step pyar hua

Step by step step by step
Ek hum hue janeman kis tarah
Tan mein jaan jaan
Mein tan jis tarah

Ek mere tere badan me gori
Nakhshe jo maien banaye
Jo maine sapne dekhe the tujhe
Nazar wo aaye

Ek hum hue janeman is tarah
Tan mein jaan jaan
Mein tan jis tarah

First step haath mile
Second step aankh mili
Third step dil mile

Fourth step pyar hua
Step by step step by step
Ek hum hue janeman kis tarah
Tan mein jaan jaan
Mein tan jis tarah

First step haath mile
Second step aankh mili
Third step dil mile
Fourth step pyar hua
Step by step step by step
Ek hum hue janeman kis tarah
Tan mein jaan jaan
Mein tan jis tarah.
