

# Summertime Lyrics

---

## English

Woh

Summertime and the living is easy  
Fish are jumping and the cotton is high  
Your daddy is rich and  
Your mamma's so good looking  
So hush pretty baby don't you cry

One of these mornings  
I'm gonna rise up and  
Lyricsbogie.com  
Start singing to you girl  
Coz you spread your  
Wings and you take to the sky  
But before that morning,  
Nobody's gonna harm you  
Your daddy and mommy standing by

Supa ba da re pa de dbe de dbe ...  
Your daddy and mommy standing by  
Hooooo ..
