## Sunder Balma (Episode 9) Lyrics

## **English**

Looking into those Angel eyes Searching for the love endlessly.... Main aapse mohabbat karti hu

Suddenly i realize
There's more to you that eyes cannot see

Sach bahut mohabbat karti hu Something deep inside my soul ... Tells me you are the one i was looking for....

Khoyi rehti hamesha bus aapke liye Sunder si hai balma

Sunder balma man baave
Reee... aeeeeee eee
Sunder balma man baave
Teri yali piyaki suratiya pe wari mai haari pyaarii....
Sunder balma man bhaave re.. Aeeee
Sunder balma man bhaave re....

Mujhe uljhan mein dal kar kaha gaye aap

Touch you in the deepest hour..

Twilight is the time i can see..

Night is young we've overcome..

Your perfume in the

Mist sets me freeeeee...

Kho jaane ki aapki yeh adaa kahin meri jaan na lele Somewhere deep within my soul I know you are the one waiting for meeeee....

Main aapka intezaar karti hu Sunder si hai balma Sunder balma man baave reee... aeeeeee eee Aap mere hai sirf mere

Sunder balma man baave
Teri yali piyaki suratiya
Pe wari mai haari pyaarii....
Sunder balma man bhaave re.. Aeeee
Sunder balma man bhaave re....

Deep within your heart.. That's the place i Know my love is gone...

Kab tak yun mujhse duur rahenge aap

Stars are shining bright..
I know the feeling's right
I found my love...

Kab tak sataayenge Girl you know my love is true... I'll be there for youuu

Bus ab aa bhi jao I'll be waiting all night long, Waiting just for you

Main aapka intezaar Karti hu, aap mere ho

Sunder si hai balma

Sunder balma man baave
Reee...aeeeeee eee
Sunder balma man baave
Teri yali piyaki suratiya
Pe wari mai haari pyaarii....
Sunder balma man bhaave re.. Aeeee
Sunder balma man bhaave re....

Touch you in the deepest hour..

Twilight is the time i can see..

Bahut bechain hu main

Night is young we've overcome.. Your perfume in the Mist sets me freeeeee... Tum jahan bhi ho bus chale aao

Somewhere deep within my soul I know you are the one Waiting for meeeee....
Sunder si hai balma
Sunder balma...

Aasma ko dekha sitaaron Ki saji hai mehfil Udd na jaye kahin, chale aao

Sunder balma man baave reee... Aeeeeee eee

Main phir bhi aapka Intezaar karungi, Aap mere ho, sirf mere.
