

Sutte Ki Talash Lyrics

English

Cigarette ka dhua ye kaisa..
Anjani raho jaisa...
Na mod hai bas hai andhera....
Sala ojhal mera sawera...

Sanso mein chadti jae..
Challo mein behti jae....
Karde bimar sali hai
Phir bhi iski talash jari...

Sutte ki hai talash
Cigarette aur hontho ka mel taal...
Main janu zindagi meri barbaad
Bas ek khichne de yaar...
Age dekh...piche
Dae dekh...bae bhi..
Dhua dhua dhua sale chod de

Age dekh piche

Dae dekh bae bhi..
Dhua dhua dhua sale chod bhi de

Chutegi kaise ran** hai meri
Hath me nache jaise hontho pe daily...
Kaise aise jaise are kaise aise jaise
Pyaar ho ye mera yaar ho
Tension mein harpal sath wo
Bas chusu fuku fuku chusu
Zindagi ye le dubi fir bhi

Sutte ki hai talash
Cigarette aur hontho ka mel taal
Main janu zindagi meri barbaad
Bas ek khichne de yaar...!!

Get ur lighters with all the smokers puff
Aint no where it goes like the smoke flows
In the blood in the veins in the bones...
Only nicotine flows
Bring to the death bring to the life..
Motherf**ken bitches motherf**ken price...
Aint no workin life goin down...life goin down...
With the full of broken poundssssss
Life is'nt easy do you wanna chase it.....
Suck it pass it suck it pass it
Motherf**ken bastards give me fuck sticks...
Smoking to the last breadth do u get to bet that....
O m g im not doped...
Cut the adams apple throat
Damn these tobacco sicks like my girlfriends....
When i wanna kiss it i love it more..!!!

Sutte ki hai talash
Cigarette aur hontho ka mel taal...
Main janu zindagi meri barbaad
Bas ek khichne de

Sutte ki hai talash
Cigarette aur hontho ka mel taal...
Main janu zindagi meri barbaad
Bas ek khichne de jaar.
