

Swag Mera Desi Lyrics

English

Yeah....

Manj musik, raftaar

Swag mera desi

Swag swag mera desi hai

Swag mera desi

Swag swag mera desi hai

Swag mera desi

Swag swag mera desi hai

Yo people ready

Swag mera, swag mera, swag mera

Let's go..

Swag mera desi

Swag swag mera desi hai

Swag mera desi

Swag swag mera desi hai

Sawag sada desi saare, loki sanu jaande

Dekhi jao desiya di, vakhri aa shaan ve

Chakko utte haath jino, gall da maan ve..

Swag sada desi sare, loki sanu jaande

Swag mera desi

Swag swag mera desi hai

Swag sada desi sare, loki sanu jaande

Swag mera, swag mera, swag mera

Pehla hai antra toh, dheere se sunaunga

Ek ek line main tumko samjhaunga

Par dheere dheere jaise, gana badhne lagega

Aur paara mera dheere dheere chadne lagega

Tab flow mera tez se badhne lagega

Main haath nahi aaonga

Oh tum le na paoge meri jagah
Oh upar hoon kaafi main tujhse khadaa
Tumhe laga tha ki kuch na banunga main
Aaj hoon dekho main kitna bada
Aur tum bananaa chahoge meri tarah
Raa galti naam ki hai, naam me hi tezi hai
Raftaar banda bahut jyaada crazy hai
But baby i'm never gonna sing in angreji
Flow antarrashtriya swag mera desi hai

Swag sada desi sare, loki sanu jaande
Dekhi jao desiya di, vakhri aa shaan ve
Chakko utte haath jino gall da maan ve...
Swag sada desi sare. Loko sanu jaande
Swag mera desi
Swag swag mera desi hai
Swag sada desi sare, loki sanu jaande
Swag mera, swag mera, swag mera

Mujhse daro ghar ko bhaago
Kahin jaake le aao mere jaise flow
Bade toh bano, mujhse bhido
Karo mat copy jao khud ka likho
Kuch to karo aisa jis se lage compitron hai
Utro beta jaldi agla fukro ka station hai
Tum mujhko daraoge, na raho iss aas pe
Rabb lo mehar se hai sab mere pass me
Kyun hoon khaas main sab batlado beta
Agli waali line me, aur wo bhi ek saans me

Didi teri bandi hai, tu hai mera saala
Aur poori india mein beta faila mera jaala
Aur teri photo pe chadao, foolo wali maala
Abhi khalo jitne khana, chhinane wala hia niwala
Kyun ki abhi tak tumne suna jo wo fraud hai
Ghar chalo beta yahaan mera nahi tod hai
Bhai tera india mein rap kare hindiwala
Tumhe lagga bas eminem rap god hai

Oh tera bhai kise se kam hai

Oh tere bhai mein bhi dam hai
Yo hold up
Yo rafraar man...
Why don't you come back and,
Bless this verse one more time
Hey yo manj bring that beat back

Mach padi bhagdad, aaj kal jab se main
Karne laga hoon jo, kisine bhi kiya nahi
Piya nahi kuch bhi, main phir bhi high
Chhodo maine kitne ko star banaake
Bhool baithe paise wo hazaar kamaake
Sath mera dene walon ko mera salaam
Faile naam mera poori raftaar badaake
Tumhe hone lagi pal pal hulchal
Gaane baje mere har jagah ajkal
Jaise dikhta hai hota nahi waise kuch
Aise hi hai indutry ka daldal
Ghar chal beta jaake kholke facebook
Mere baare mein tu kar badbad badbad
Rehna tu bach kar mujhse sambhalkar
Mooh se mere goli chale dhad dhad dhad dhad

Oye hoye hoye ab yeh karke dikhao

Swag sada desi sare loki sanu jaande
Dekhi jao desiya di wakhri aa shaan ve
Chakko utte haath jino gall da maan ve...
Swag sada desi sare loki sanu jaande
