Hum to saajan teri hai chaiyaan  
Chaiyaan chaiyaan chaiyaan

Aap ke sone mukhde ki  
Aap ke sone mukhde ki  
Hum hi to hai do ankhiyaan ankhiyaan  
Tum tana na na na ta thaiya  
Hum to saajan teri hai chaiyaan

Tum chaai ho to hum pyaali hai  
Tum rail ho to hum patri hai  
Tum chaai ho to hum pyaali hai  
Tum rail ho to hum patri hai  
Chhodo yeh nakra jaane do

Hat jao hawa ko aane do  
Hai maamla fifty fifty ka  
Hum dono hai barabar  
Fifty nahin ho tum zero hai  
Dekho aaine mein jaa kar  
Tum tana na na na ta thaiya  
Tum tana na na na ta thaiya  
Hum to saajan teri hai chaiyaan  
Aap ke sone mukhde ki  
Hum hi to hai do ankhiyaan  
Tum tana na na na ta thaiya  
Hum to saajan teri hai chaiyaan  
Ta thaiya ta thaiya  
Ta thaiya ta thaiya

Bharte na maang tumhari hum  
Reh jaati yun hi kunwari tum  
Bharte na maang tumhari hum  
Reh jaati yun hi kunwari tum  
Tumhe dekh dahej kharida hai  
Aurat ne mard ko jeeta hai  
Kis kaam ki rahi hai aurat  
Ise paala hai mard ne  
Kyon bhool gaye tum raj kiya  
India pe indira ne  
Tum tana na na na ta thaiya  
Tum tana na na na ta thaiya  
Hum to saajan teri hai chaiyaan  
Aap ke sone mukhde ki  
Hum hi to hai do ankhiyaan  
Tum tana na na na ta thaiya  
Hum to saajan teri hai chaiyaan  
Ta thaiya ta thaiya  
Ta thaiya ta thaiya  
Ta thaiya ta thaiya  
Ta thaiya ta thaiya  
Ta thaiya ta thaiya.
