Muhre laake jadon billo samay nu davalleya
Chakkange saare jadon khota sikka challeya
Ni jehda akhiri zabano sadde niklu
Oho akhar vi maa houga

Jehde yaari peechhe mare alhade
Sadda ohna vich nah houga
Peechhe peechhe bharu duniya
Te jatt tera gaanh houga

Ho kithe begiyan seyan deyaan
Baadshe ho hit de
Aw moddan laake saunde aan ni
Botal di hikk te

Ho begiyan seyan deyaan
Baadshe ho hit de
Aw moddan laake saunde aan ni
Botal di hikk te

Ho jadon gabru mobile band kar le
Ohdon motoran layi than houga

Jehde yaari peechhe mare alhade
Sadda ohna vich nah houga
Peechhe peechhe bharu duniya
Te jatt tera gaanh houga

Vehle jadon hoiye
Ohdon seep khed laine aa
Mittraan naal gal
Koi bareek bhed laine aa

Arthu je pauna howe alhdan de kaalje
Ni patle jehe tyran waali jeep red laine aa
Ho vehle jadon hoiye ohdon seep khed laine aa
Mittraan naal gal koi bareek bhed laine aa

Arthu je pauna howe alhdan de kaalje

Patle jehe tyran waali jeep red laine aa
Akh rakhda ae maili ho har ek te
Baaj naiyo kaa houga

Jehde yaari peechhe mare alhade
Sadda ohna vich nah houga
Peechhe peechhe bharu duniya
Te jatt tera gaanh houga

Ho suttne nu phire akh
Billi naal goriye
Banne nu phirdi aan
Killi naal goriye

Tere naal ohi raula
Chalda ae jatt da
Chalda punjab da joh
Dilli naal gohriye

Je tu puchhdi ae gabru da rutba
Teri soch naalo tan houga

Jehde yaari peechhe mare alhade
Sadda ohna vich nah houga
Peechhe peechhe bharu duniya
Te jatt tera gaanh houga.
