Ahde vi shagna di vari aave

Munde nu viah de
Ahnu kujh leya de
Ahde vi shagna di vari aave

Mera bhera tu mera sadar ae tu
Sadke main tere jhalle
Ho sadke main tere jhalle
Saiyan bina vi kitta savar tainu
Kadi na rahi main kalle

Ho mere nahi hun kuch ve palle
Kar de mera balle balle
Umar da ehsaas kar le re

Ho mujhe dede bas ik choru
Dekh le ab hath mein jodu re
Mujhko garden garden kar de re

Khende ne loki mavan nu na chedo
Jannat pairan thalle
Haye jannat pairan thalle

Tere har vele de nakhre chuk chuk
Main hun bas thak gayi aan
Ratta nu dobh uth uth ke
Main cha bana ke aak gayi aan

Ohi ke o kende tu thak gayi ae
Khidmat karke munde di akh gayi ae

Munde nu viah de

Ahnu kujh leya de
Ahde vi shagna di vari aave

Tere hath da kha kha ke
Mainu kise da swaad nahin aunda
Duniya bookhe padh padh ke
Par mainu farud nahin aunda

Kha le mere te taras thoda bebe
Mainu leya de ik baby kyun
Mainu leya de ek baby
Gall maan meri barau

Jinna ve bhola tu
Chada na main tainu
Kadi biwi naal kalle
O mar gaye thaa
Kadi biwi naal kalle

Oye mere koi baraat karde
Ya pakki baat karde
Mujhko 9se 5karde re

Ho jutiya de barsat na karna nai nai
Bhar ke din ek raat na karna
Jo vi mooh vich anda kehna ve

O bebe mere yaara de hoge ne 6 bache
Mainu tu aane aein kache
Mainu tu aane aein kache

Mera bhera tu mera sadar ae tu
Sadke main tere jhalle
Sohniya oh sadke main tere jhalle

Munde nu viah de
Ainu kujh leya de
Aidi vi shagna di vari aave
Aidi vi shagna di vari aave.
