Utaraasha hai khuda ne  
Jo zameen par aa gaya  
Tauba tauba tauba  
Tauba tauba tauba  
Utaraasha hai khuda ne  
Jo zameen par aa gaya  
Jaan mujhame daal di toh  
Yeh jahaan chakara gaya  
Chaand ne dekha mujhe  
Toh chaand bhi sharma gaya  
Soni soni hoon main  
Soni hoon main  
Soni soni soni hoon  
Soni soni hoon main  
Soni hoon main soni  
Soni soni hoon  
Tauba tauba tauba  
Tauba tauba tauba  
Jaan leva tauba tauba  
Tera jalwa tera jalwa

Chaudavi ka chaand  
Ho yaa aaftaab ho  
Jo bhi ho tum khuda ki

Kasam laajabaab ho  
Chaudavi ka chaand  
Ho yaa aaftaab ho  
Jo bhi ho tum khuda ki  
Kasam laajabaab ho  
Mujhase puchha tha  
Khuda ne jaaogi kya  
Tum zameen par  
Maine bola tab khuda se  
Saare aashiq hai wahi par  
Mujhase pehale kya zameen  
Par chaand utaraa tha kabhi  
Abb deewaano tum bataao  
Koyi mujhase hai kahin par  
Sar basajata ho gaye  
Sab roop tera dekhkar  
Jano dil se toh gaye  
Sab roop tera dekhkar  
Tauba tauba tauba  
Tauba tauba tauba  
Jaan leva tauba tauba  
Tera jalwa tera jalwa

Har tarah ek shor sa hai  
Mere aane ki khabar se  
Har tarah behaki fiza hai  
Mere aane ki khabar se  
Har jagah ki main dhadkan  
Ban gayi hoon aaj toh  
Har jawa chehara khila  
Hai mere aane ki khabar se  
Jano dil se toh gaye  
Sab roop tera dekhkar  
Tauba tauba tauba  
Tauba tauba tauba  
Jaan leva tauba tauba  
Tera jalwa tera jalwa  
Utaraasha hai khuda  
Ne jo zameen par aa gaya  
Jaan mujhame daal di

Toh yeh jahaan chakara gaya  
Chaand ne dekha mujhe  
Toh chaand bhi sharma gaya  
Soni soni hoon main  
Soni hoon main soni  
Soni soni hoon  
Soni soni hoon main  
Soni hoon main  
Soni soni soni hoon  
Tauba tauba tauba  
Tauba tauba tauba  
Jaan leva tauba tauba  
Tera jalwa tera jalwa  
Tauba tauba tauba  
Tauba tauba tauba  
Jaan leva tauba tauba  
Tera jalwa tera jalwa.
