Yaadan de sadran de
Vehde ghar paa leya
Zindadi de umran da
Rog aivein la leya

Pata ni ainna taan
Sadde naal ae vair ki
Aa jaandiyan ne
Puchheya bagair hi

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Tainu vi taan shaunk siga
Dilan bada tuttne da
Ranjhe wangu ishqe ch
Aashiqui ch mukkne da

Hunn ki ae faida lukk
Lukk lukk lukkne da
Manjilon bagair ainna
Raahan utte rukkne da

Samjhaye samjhaye
Tainu kaun samjhaye
Koyi aashiqan di kabran te
Phool vi na paave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Ho kadi aave kadi jaave

Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Na idhar na udhar de
Reh gaye aan
Kehdeyan kamma de vich
Pai gaye aan

Peeke alfaaz
Pher geet likhda
Tere ton bagair
Oho jeena sikhda

Lakhave tu lakhave
Oho likhda hi jaave
Oh spotify utte vekh
Vikkda vi jaave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Mera dil ae dil ae daldal te nai
Kitte tu duniya de val te nai
Ajj mere naal kitta pyar tu
Kitte mukar tu jayegi kal te nai

Chhal te nai kitte chhal te nai
Mera kafan koyi malmal te nai
Jhnu phulkari bana ke tu lai leya
Eh koyi gall te nai

Yaar tere layi hoye ae tabaah
लिरिक्सबोगी.कॉम
Gall meri tu sunn biba
Tere layi nitt da hona
Par main kitta si pehli dafa

De saza mainu de saza
Mainu vi aunda ae maza

Saare passe mera ishq
Mushq maare ae fiza

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave

Ho kadi aave kadi jaave
Teri yaad satave
Dil chhaddna taan chahve
Phir chhadd kyon na paave
