Ik round mein duniya ghoomlun  
Ulti aankh se sab ko dekh lun  
Main gapshap mein bhi reason dun  
Phir sun ne mein confusion kyon  
Life mein hote hain ups and downs  
Rasthe apne daathon se  
Taayar kyon mere gaste hain  
Nikalte hain different different se sound  
Tell me why now tell me why  
Come on now tell me why, tell me why  
Tell me why now tell me why  
Come on now tell me why, tell me why

Ik round mein duniya ghoomlun  
Ulti aankh se sab ko dekh lun  
Tell me why now tell me why  
Come on now tell me why, tell me why  
Kyon din jab nikle, kyon khulta aasman hai  
Dheemi dheemi roshani mein  
Kyon khota jahan hai  
Kyon din jab nikle, kyon khulta aasman hai  
Dheemi dheemi roshani mein  
Kyon khota jahan hai  
Itna hotter kyon sooraj hai  
Jane is ko kya tension hai  
Kya us ko chhutti nahi milti  
Everyday aajata time par  
Confuse hai, ha ha ha ha ha..

Confuse hai, o come on tell me why  
Confuse hai, o baba tell me why  
Main gapshap mein bhi reason dun  
Phir sun ne mein confusion kyon  
Life mein hote hain ups and downs  
Rasthe apne daathon se  
Taayar kyon mere ghaste hain  
Nikalte hain different different se sound  
Tell me why now tell me why  
Come on now tell me why, tell me why  
Tell me why now tell me why  
Come on now tell me why, tell me why

If you wanna find out  
Whats goin on here  
So come with me  
There'll be no confusion  
If you wanna find out  
Whats goin on here  
So come with me  
There'll be no confusion  
Tell me why now tell me why  
Come on now tell me why, tell me why  
Mauka mil jaye to god aisi deal karun  
System ko badlun de night mein tabdeel karun  
Tell me why

Are mauka mil jaye to god aisi deal karun  
System ko badlun de night mein tabdeel karun  
Ghoomte aage peeche duniya  
Aasmaan se barse khushiyan  
Aage peeche peeche aage waqt chale mere isharon par  
Take it easy, oh i am so busy  
Confuse hai, o come on tell me why  
Confuse hai, o baba tell me why  
Main gapshap mein bhi reason dun  
Phir sun ne mein confusion kyon  
Life mein hote hain ups and downs  
Rasthe apne daathon se  
Taayar kyon mere ghaste hain  
Nikalte hain different different se sound

Tell me why now tell me why  
Come on now tell me why, tell me why  
Tell me why now tell me why  
Come on now tell me why, tell me why.

Ik round mein duniya ghoomlun  
Now tell me why  
Ik round mein duniya ghoomlun  
Ulti aankh se sab ko dekh lun  
Main gapshap mein bhi reason dun  
Phir sun ne mein confusion kyon  
Life mein hote hain ups and downs  
Rasthe apne daathon se  
Taayar kyon mere ghaste hain  
Nikalte hain different different se sound  
Tell me why now tell me why  
Come on now tell me why, tell me why  
Tell me why now tell me why
